PART A
ASSOCIATION MATTERS

A-1 Property Subject to Protective Covenants

A) Existing Property. The real property subject to the provisions of these Protective Covenants consists of that part of First Addition to 1000 Oaks consisting of Lots 92-97, 108-114, 131-145 and Outlot 7 (hereinafter referred to as either “Phase 1”, the “Subdivision” or “First Addition to 1000 Oaks”). Phase 1 is described on Exhibit A, attached hereto. Phase 1 is composed of twenty-eight (28) individual residential lots (hereinafter “Lots”) and is the first phase of a subdivision consisting of a proposed total of two hundred eight-on (281) individual residential lots.

B) Declarant reserves the right, any time during the term of these Protective Covenants, to subject other real property (the “Additional Properties”) to the provisions of these Protective Covenants and to add the Additional Properties to the Subdivision. The Additional Properties shall be located in Dane County, Wisconsin, and when added to the Subdivision, shall be adjacent to the Subdivision. Developer shall add Additional Properties to the Subdivision by recording with the Register of Deeds to Dane County one or more amendments to this Declaration, with each amendment setting forth the legal description of the Additional Properties thereby added to the Subdivision.

A-2) Definitions.

A) “Association” shall mean and refer to 1000 Oaks Homeowners Association, Inc., and its successors and assigns.

B) “Common Property” includes all those areas located in the Development which are not contained within a Lot and which are intended for common use or are necessary or convenient to the existence, maintenance or safety of the Development. Common Property may also include any additions thereto designated by the Declarant or the Association in any subsequent amendment to this Declaration, and all improvements located on said property, which are intended to be devoted to the common use and enjoyment of members, Owners and Occupants. Common Property shall further include all public or
private alleys (if any), driveways, public recreational trails, stormwater management, entrance signs, public park, traffic calming measures, plantings, landscaping islands or boulevards. Declarant may, by subsequent amendment or easement, designate parts of certain private lands within the Development as Common Property, rendering the Association responsible for maintenance thereof, without subjecting the same to the ownership provisions contained in Section A-4, below.

C) "Declarant" shall mean and refer to VH1000 Oaks, LLC; a Wisconsin Limited Liability Company, and/or its successors and assigns.

D) "Lot" shall mean and refer to individual subdivided lots in First Addition to 1000 Oaks as described and depicted in Exhibit "A", or as may be subjected to the terms of this Declaration in the future. In the future, Declarant intends to convey the Lots to purchasers who shall thereupon become members of the Association. The term "Property" or "Properties" shall be synonymous with the term Lot.

E) "Owner" shall mean and refer to the record owner, whether one or more persons or entities, of the fee simple title to any of the Properties described in Exhibit "A". A purchaser of any of said Properties by land contract shall be referred to as "Owner" instead of the land contract vendor. LSI shall not be considered an Owner hereunder.

F) "Occupant" shall mean and refer to the occupant of any of the Properties who shall either be an Owner or a lessee who holds a written lease having an initial term of twelve months or more.

G) "Subdivision" shall refer to the lands described in Exhibit "A". The term "Subdivision" is synonymous with the term "Development.

H) "City" shall refer to the City of Madison, a Wisconsin Municipal Corporation.

I) Development Documents. This document is the Declaration. Any person interested in owning any Lot in the Development should review and become familiar with the requirements of this Declaration and the Plat, each of which sets forth certain rights, obligations and restrictions with regard to the Lots and the Development, and which may be collectively referred to as the "Development Documents".

A) Members. Declarant has incorporated the Association. Each Owner of a Lot shall automatically become a member of the Association. By acceptance of the Deed or other instrument of conveyance, the Owner(s) of each Lot consent to such Owner’s membership in the Association whether or not specified on the deed to the Owner. Membership in the Association is appurtenant to each Lot. Each Owner of a Lot shall automatically be entitled to the benefits and subject to the burdens relating to such membership in the Association. The Association shall have authority to manage the Common Property. Persons or entities, including a land contract vendor, who hold an interest merely as security for the performance of an obligation, shall not be members of the Association. Tenants of Properties who are not Owners shall not be members of the Association. To the extent that Declarant owns any Lot, Declarant shall be a member of the Association until such ownership terminates.

B) Voting Rights.
1) Each member shall be entitled to one vote for each Lot owned except as set forth in A-3(B) (2) below.

2) When there is more than one Owner of a Lot, said Owners shall only be entitled to one collective vote for each Lot. There shall be no fractional votes or voting. When there is more than one Owner of any Lot, the vote attributable to such ownership must be cast unanimously by all the Owners of that Lot, or it shall not be considered for any purpose.

C) **Proxies.** Any Member may vote by proxy. All proxies shall be in writing and signed by the Owner or in cases where there is more than one Owner, by all Owners of the Lot.

D) **Articles of Incorporation and By-Laws.** The purposes and powers of the Association and the rights and obligations with respect to the members thereof, shall be governed by the Articles of Incorporation and By-Laws of the Association; provided, however, that such Articles of Incorporation and By-Laws shall be subject to, and shall not contravene, the terms, conditions, benefits and burdens set forth in this Declaration.

E) **First Year’s Operating Expenses.** Commencing on the date established for the payment of assessments under Section A-5(B)(1), Declarant shall pay to the Association an amount equal to the estimated operating expenses of the Association for a period of one (1) year, less assessments on Lots owned by Declarant actually paid to the Association for the one (1) year period of time. Said payment may be made in a lump sum or in twelve (12) monthly installments, at Declarant’s option. Prior to said date, Declarant shall be solely responsible for payment of all maintenance expenses.

A-4) **Description.**

A) **Responsibility for Assessments.** At the present time, the Declaration is applicable to all Lots located in the Development. Declarant shall turn over to the Association, at the time control is turned over to the Members, any surplus received by the Association of income over expenses. The following table describes the number of assessment units (an “Assessment Unit”), which are assigned to various Lots in the Development based upon their intended use at the present time. The number of Assessment Units for a particular Lot will be divided by the total number of Assessment Units in the Development to arrive at a particular Lot’s percentage share (“Percentage Interest”) of assessments for common area maintenance and other expenses, which the Association is permitted to assess to members under the Declaration. The Declarant shall be responsible for payment of assessments attributable to all Lots owned by Declarant. For the purposes of the following table, a single family residence shall be deemed a Dwelling Unit.

B) **Percentage Interest for Condemnation or Insurance Proceeds.** For the purposes of establishing an Owner’s percentage of insurance proceeds or condemnation awards in the event any portion of the Common Property is completely destroyed or taken by eminent domain and is not
reconstructed, each Owner shall have a percentage interest in the insurance or condemnation proceeds equal to the Percentage Interest of such Owner under paragraph A-4(A), above. Any insurance proceeds or condemnation awards subject to this section shall be paid to the Association and held by the Association for the purpose of defraying General and Special Assessments and other costs and expenses incurred by the Association.

C) **Conveyance, Lease or Encumbrance of Percentage Interest.** Any deed, mortgage, lease or other instrument purporting to convey, encumber or lease for a period of time in excess of one (1) year (a “Lease”) any Lot shall be deemed to include the Owner’s Percentage Interest in the Common Property and in the insurance proceeds or condemnation awards even though such interest is not expressly described or referred to therein. The conveyance, encumbrance or Lease of an Owner’s Percentage Interest in the Common Property independent of the appurtenant Lot and the conveyance, encumbrance or Lease of an appurtenant Lot independent of the Owner’s Percentage Interest in the Common Property shall be prohibited.

D) **Ownership.**

1) The Common Property shall be initially owned by the Declarant until conveyed as provided below.

2) The Common Property shall be conveyed to the Association by the Declarant. The Association shall be responsible for the payment of any and all present and future general taxes, assessments or other charges against any portion of the Common Property owned by the Association. General property taxes, assessments and other charges shall be prorated between the Declarant and the Association based on the date of conveyance by the Declarant to the Association.

E) **Damage or Destruction of Common Property by Owner.** In the event any Common Property is damaged or destroyed by an Owner or any of his guests, lessees, tenants, licensees, agents or member(s) of his family, including pets, said Owner does hereby irrevocably authorize the Association to repair said damage. The Association shall repair and restore any damaged area to its former condition. The amount necessary for said repair shall become a special assessment upon the Property of said Owner.

A-5) **Maintenance of Common Property**

A) **Maintenance Requirements.**

1) Responsible Party. Declarant shall initially provide for the care, operation, management, maintenance and repair of the Common Property, until the Common Property is conveyed as provided herein. After such time, the Association shall provide for the care, operation, management, maintenance and repair of the Common Property and shall keep the Common Property maintained in good and safe condition.

2) General Responsibilities. Maintenance shall include, but not be limited to, responsibility for landscaping and lawn care, trash removal in the alleyways, snow removal including shoveling with particular attention being paid to cross walk ramps and islands, improvements to common areas, upkeep of storm water management facilities which may include detention basins and
drainage swales, common property lighting and/or other common property utility charges and any special street design features or traffic calming features.

3) Specific Responsibilities. Certain streets within the Property may include special traffic islands and traffic calming measures within the public right-of-way. The Association shall be responsible, at the Association’s sole cost and expense, for the maintenance and upkeep of such physical traffic measures. Such maintenance and upkeep shall be performed at the discretion of the Association except to the extent required by the City, and shall include landscaping, snow and ice removal. If the special street design features or landscaping are not maintained, the City will give notice to the Association that it is not being maintained. If the Association does not respond to the notice within sixty (60) days, the City may modify the physical traffic measures to minimize maintenance needs; including replacing landscaped surfaces with asphalt. The Association and persons involved with the maintenance and upkeep of the special traffic measures shall indemnify and hold harmless the City and its boards and commissions, and their officers, agents and employees from and against all claims, demands, loss or liability of any kind, type or description, related to the maintenance and upkeep of the special traffic measures.

4) In order to carry out its maintenance obligations, the Association may enter into a long-term contract (i.e., no less than ten (10) years) with a reputable property management company (“Management Company”), pursuant to which contract the Management Company shall assume the maintenance obligations of the Association as provided herein.

5) Any and all expenses incurred by the Management Company, on behalf of and pursuant to its contract with the Association, in connection with the management and maintenance of the Common Property and administration of the Association shall be deemed to be common expenses (“Common Expenses”), including, without limitation, expenses incurred for: landscaping and lawn care; snow shoveling and plowing; trash removal in alleyways; improvements to the Common Property; common grounds security lighting; municipal utility services for Common Property enforcement of this Declaration (including attorneys’ fees); and maintenance and management salaries and wages.

B) Assessments.

1) The Association, or the Management Company, on its behalf, shall levy annual general assessments (“General Assessments”) against each Lot beginning January 1, 2017 or the purpose of maintaining a fund from which Common Expenses may be paid. The General Assessments against each Lot shall be assessed according to their Percentage Interests in the Common Property. General Assessments shall be due in advance on the first day of each year, or in such other manner as the Association may set forth in the Bylaws. Any General Assessment not paid when due shall bear annual interest at a rate of ten percent (10%) until paid and, together with interest, collection costs, and reasonable attorneys’ fees, shall constitute a lien on the Lot on which it is assessed.

2) The Association, or the Management Company, on behalf of and pursuant to its contract with the Association, may, whenever necessary or appropriate, levy special assessments (“Special Assessments”) against the Lots for deficiencies in the case of destruction or condemnation, for defraying the cost of improvements to the Common Property or for any other purpose for which the Association and/or the Management Company may determine a Special Assessment is necessary or appropriate for the improvement or benefit of the Subdivision. Special Assessments shall be paid at such time and in such manner as the Association or the Management Company may determine. Any Special Assessment or installment not paid when due shall bear annual interest at a rate of ten percent (10%) until
paid and, together with the interest, collection costs and reasonable attorneys' fees, shall constitute a lien on the Lot on which it is assessed.

3) The Association, or the Management Company, on behalf of and pursuant to its contract with the Association, shall have the right to collect all General and Special Assessments and such sums shall constitute a lien on such Lot. The Owner of a Lot, or any portion thereof, shall be personally obligated to pay such charges which were assessed or accrued upon the land owned during the period of Ownership. The Association or the Management Company, on behalf of and pursuant to its contract with the Association, may commence an action against any Owner personally obligated to pay the charges or to foreclose the lien for such charge against any Lots. Any such foreclosure action may be brought at the Association election, either in the same manner as an action to foreclose a real estate mortgage, or as a proceeding to enforce a statutory maintenance lien as provided in Section 779.70, Wis. Stats., to the extent said Section is applicable. Any lien in favor of the Association/Management Company securing unpaid charges arising by virtue of this Declaration shall be subject and subordinate to the lien of any mortgage whether the mortgage is executed or recorded prior to or after the creation of such lien.

C) Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Property shall not release the assessment lien. However, the sale or transfer of any Property pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessment(s) as to payments which become due prior to such sale or transfer. No sale or transfer pursuant to foreclosure or proceedings in lieu thereof shall relieve such Property from liability from any assessments thereafter becoming due or from the lien thereof.

D) Joint and Several Liabilities of Grantor and Grantee. Upon a voluntary conveyance, the grantee of a Property shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor as provided in this Declaration up to the time of conveyance, without prejudice to the grantee's right to recover from the grantor the amount paid by the grantee therefore. However, any such grantee shall be entitled to a statement from the Association setting forth the amount of such unpaid assessment and any such grantee shall not be liable for, nor shall the Property conveyed be subject to a lien for, any unpaid assessments against the grantor pursuant to this Declaration in excess of the amount therein set forth.

B-1) Applicability. The following provisions in this Part B shall apply to all Lots and Outlots, as described in Exhibit “A” and such other Lots or Outlots as may, in the future, be subjected to this Declaration, as the same may be amended from time to time, by Declarant in the sole exercise of Declarant’s discretion.

The Easements located on each Lot and all improvements therein shall be maintained continuously by the owner of the Lot, except for those improvements for which a public authority or utility company is responsible.

B) The Intra-block drainage Easement shall be graded with the construction of each principal structure in accordance with the approved Stormwater Drainage Plan on file with the City Engineer and the Zoning Administration, as amended in accordance with the Madison General Ordinances.

C) Public utility easements five feet (5') wide (unless otherwise noted on the Plat). Utility easements as herein set forth on the Plat are for the use of public and private utilities having the right-of-way to serve the area.

D) All lots within this plat are subject to a non-exclusive easement for drainage purposes which shall be a minimum of five feet (5’) in width measured from the property line to the interior of each lot except that the easement shall be ten feet (10’) in width on the perimeter of the Plat. This shall not be required on the property lines shared with greenways or public streets.

The slopes and swales of each Lot and all improvements in them shall be maintained continuously by the Owner of a Lot, at the Owner’s sole expense, except for those improvements for which a public authority or utility company is responsible.

B) In order to control run off, all down spouts and down spout extenders are to drain into a permeable area such as grass or a planting bed.

C) Declarant and the City have agreed to a certain Storm Water Management Plan. In the event of conflict between any plans and such Storm Water Management Plan, the Storm Water Management Plan shall control. D) Any disputes relating to drainage swales, drainage or other surface water issues, shall be resolved by the Board of Directors of the Association, which may seek the advice of the City Engineer of the City of Madison. The Association shall establish procedures by which such decisions can be heard by the Board of Directors and decided by said Board.

No signs will be located in the Outlots, except those that the Declarant may place in conjunction with Public Recreational Trail and Park development and use.

B-12) **Entrance Sign.** It is contemplated there will be an entrance monument sign and associated easement in Lots 132, 179 and 222 of the Plat. The Association will be responsible for the maintenance of said sign to include watering, mowing and basic landscape requirements. However, at

The same sight-line limitations shall apply on any Lot within ten (10) feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.

**B-16) Mailboxes and posts.** Mailboxes and posts serving homes in the neighborhood, whether individual or multi-gang, will be provided by Declarant at Declarant’s sole cost and expense. Damaged or missing mailboxes and post shall be replaced with a mailbox and post identical in all respects with that originally provided, at the sole cost and expense of the Owner(s). Mailbox and post placement are further subject to any applicable regulations of the U.S. Postal Service or City.

A) Portions of the property have been approved for multi-family which may include apartments and/or condominiums. At closing, the deed for each Lot will include an Exhibit A attachment evidencing Owners waiver of objection to such uses. By acceptance of a deed to a Lot, Owners accept such uses and waive any objections to the same.

B) Public and/or Private Alley: Public Alleys (collectively, “Alleys”) are shown on the Plat as Outlot 4. Said Alley will be dedicated to the City. The cost of the maintenance of the Alleys shall be the responsibility of the City. Certain Lots in the Development border Alleys, which are intended to serve as the access to such Lots. Restrictions on the Alleys are summarized as follows:

1) There will be no public trash, leaf or recycled material pick-up service in said Alleys, but instead, there will be one or more trash pick-up collection points designated by the Declarant to be used by Owners of a Lot bordering the Alleys in question. Trash pick-up may initially be provided by the Association and charged as an expense of the Association, but such arrangement may
be changed to provide for public or some other method of trash pick-up at a future time as determined by the Declarant or the Association. All trash receptacles to include recycling receptacles must be removed from the Alleys within 24 hours after trash or recycled material pick-up.

2) Mailboxes for homes located on the Alleys may be clustered at one end of the Alleys in question or clustered at various locations along the public street. Location and placement of the mailboxes is the sole discretion of the United States Postal Service.

3) Snow removal, repair and replacement of Alleys will be the responsibility of the City.

4) Homes with garage access to a public alley are required to have two (2) “coach” lights on each side of the garage door, which will be wired to a photo electric eye for automatic use from dusk to dawn. The lights have been pre-selected by Declarant. There are four (4) selections available. It is the Buyer’s responsibility to maintain the lights so that they are always operational.

C) Plantings, flower beds, and entry signs (including utility installations connected therewith) constructed and installed by Declarant, if any, shall be deemed a part of the Common Area. The Association is obligated to maintain any entry feature; maintenance shall include electrical charges (if any), sign repair and maintenance of the landscaping including mowing of all lawns and grass areas. The cost of maintenance of said Common Property shall be an assessment against all of the Property in the subdivision in accordance with the Declaration, for so long as such maintenance is necessary or required adversely affects the natural flow of surface or underground waters with in the area permitted.

B-18) Improvements Within Easements. Any improvements (for example, fences, dog kennels, landscaping) located within any part of a Lot which is subject to a utility easement is subject to removal at the Owner’s expense for utility maintenance and other reasons as determined by the party benefitted by the easement. Reinstallation of any improvement would be at the Owner’s cost and would also be subject to the discretion of the party benefitted by the easement and is subject to terms and conditions as set forth on the final plat.

PART C
ARCHITECTURAL CONTROL COMMITTEE

C-1) Membership. Declarant shall establish an Architectural Control Committee (the “Committee”) consisting of three (3) members. So long as Declarant has title to any Lot subject to this Declaration, the Committee shall be appointed by Declarant. After Declarant no longer has title to any Lot within the Development or at such earlier time as determined by the Declarant, the initial members of the Committee shall resign and the Association shall elect three (3) Owners to serve on the Committee. At any time, Declarant may elect to surrender the selection of the members of the Committee to the Association.

A majority of the Committee may designate a representative to act for it. In the event of the death or resignation of any member of the Committee, the remaining members shall have full authority to designate a successor.

The Committee appointed hereunder shall serve for the time period specified in paragraph C-10, below. Any Committee member may resign prior to said date. Such resignation shall be effective upon receipt.
If a resignation shall occur, prior to turning over control of the Committee, then the remaining members of the Committee may appoint a replacement.

C-2) **Architectural Control.** No structure, whether residence, accessory building, tennis or sport court, swimming pool, decks, patios, antenna (whether located on a structure or on a Lot), flag pole, wall, fence, landscaping, recreational equipment or other improvements, including exterior colors and materials to be applied to said improvements, shall be constructed, maintained or performed upon any Lot and no alteration or repainting of the exterior of a structure shall be made unless complete Architectural Review Application ("Application"). Plans, specification and plot plans therefore shall have been submitted to and approved in writing by a majority of the Committee. Approval shall also be required for location of improvements with respect to topography and finish grade elevation. Said Application, plans, specifications and plot plans shall show the exterior design, height, building materials and color scheme thereof, the location of the structure plotted horizontally and vertically, the location and size of driveways, the plans for required landscaping, and the grading plan. A copy of such Application, plan specifications and plot plans as finally approved shall be deposited with the Committee. The Application can be found on the Veridian Homes website www.veridianhomes.com. Select Homeowner Resources (located on the top toolbar, select Architectural Control Committee and select the appropriate application for your request.

C-3) **Plan Review.** The Committee shall review said Application, plans and specifications as to quality of workmanship and materials, harmony of external design with existing or proposed structures and as to location with respect to topography and finish grade elevation. The Committee shall use the guidelines set forth in this Declaration as an aid in exercising its architectural control responsibilities hereunder, but nothing contained herein or therein shall limit the Committee’s discretion to grant variances from or make changes to, the guidelines, as they shall determine in the sole exercise of their discretion.

C-4) **Procedure.**

A) Neither the members of the Committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant for the initial approval of a residential structure. Thereafter, said Committee may charge a "request for action" or "approval" fee not to exceed Fifty and no/100 Dollars ($50.00) for each such request or approval. The Committee’s approval or disapproval, as required in these Covenants, shall be in writing. In the event the Committee fails to provide, in writing, approval or disapproval within thirty (30) days after application, plans and specifications or any other matters requiring approval have been submitted to it, the request shall be deemed denied.

B) A submission will not be complete, and the thirty (30)-day approval time, as applicable, set forth above shall not commence until all documents required herein have been submitted. All such submissions shall be made to the Committee at the address set forth in this Declaration or to such other address that the Committee may designate.

C) The Committee shall have the sole right to reject any Application and plans which, in the judgment and sole opinion of a majority of its members are not in conformity with this Declaration; or are not desirable for aesthetic reasons; or are not in harmony with buildings located on the surrounding Lots; or are not in conformity with the general purposes of this Declaration.
D) The Committee shall exercise its sole approval authority and discretion in good faith and each Owner, by acceptance of a deed to, or any other interest in, a Lot, agrees to hold the Committee harmless from any perceived discrepancies in the Committee’s good-faith performance of its duties. Refusal of approval of plans by the Committee may be based on any grounds, including purely aesthetic grounds, which in the sole discretion of the Committee shall be deemed sufficient.

E) The Committee may set its own operating procedures consistent with this Declaration and any limitations hereafter imposed by the Association. The costs of operating the Committee shall be assessed by the Association as Common Property expenses, except as permitted below. The Committee may engage consultants (e.g., architects, engineers or attorneys) either on a general or on a case-by-case basis, and the costs thereof may be charged to an applicant. The members of the Committee shall not draw any compensation for serving thereon but may be reimbursed for expenses incurred in performing their duties. All funds relating to the Committee shall be handled by the Association.

C-5) Separate City Approval. Matters which require approval of the Committee may also require approval of the City. Obtaining approval from the Committee and the City is solely the responsibility of the Owner desiring approval. Approval of Plans by the Committee shall not be deemed approval by the City and approval by the City shall not be deemed approval by the Committee.

C-6) Records. Until such time as a replacement Committee is designated, all plans, applications and requests shall be submitted to said Committee at the following address:

First Addition to 1000 Oaks Homeowners Association, Inc.
Architectural Control Committee

C-7) Committee Liability. Neither the Committee nor any member thereof shall be liable for damages to any person submitting request for approval or to any Owner of any Lot by reason of any action, failure to act, approval, disapproval or failure to approve or disapprove with regard to such requests. The Committee is not responsible for ensuring that the application and plans submitted by an Owner are in compliance with applicable laws, rules, regulations, ordinances or customary and typical building practices. The Committee does not review plans for structural design.

C-8) Indemnification. Each member or former member of the Committee, together with the personal representatives and heirs of each such person, shall be indemnified by the Association against all loss, costs, damages and expenses, including reasonable attorney’s fees, asserted against, incurred by or imposed in connection with or resulting from any claim, action, suit or proceeding, including criminal proceedings, to which such person is made or threatened to be made a party by reason of service as a member thereof, except as to matters resulting in a final determination of gross negligence or willful misconduct on the part of such member. In the event of settlement of such proceeding, indemnification shall be provided only in connection with such matters covered by the settlement as to which the Association is advised by counsel that the person to be indemnified has not been guilty of gross negligence or willful misconduct in the performance of such person as a member of the matter involved. This right of indemnification shall be in addition to all other rights and defenses. All liabilities, losses, damages, costs and expenses incurred or suffered by the Association in connection with this
indemnification shall be a Common Property expense. Nothing in this Section C-8 shall be deemed an indemnification of such person with respect to such person’s status as an Owner, occupant or otherwise.

C-9) **Variance.** The Committee shall have the power and absolute discretion to authorize a variance from any of the requirements of this Declaration if it finds that the strict application thereof would, in its sole discretion and opinion, result in difficulties or undue hardship to the Lot owner or in the event the architecture of the proposed Lot improvement is such as to present, in its opinion, a particularly pleasing appearance compatible with other houses in the development.

C-10) **Successor to Committee.** Declarant may turn over control of the Committee to the Members of the Association at any time, and shall turn over control when Declarant no longer has any ownership interest in the Property. At such time as Declarant turns over Committee control, the Association’s Board of Directors shall designate not less than three (3) or more than five (5) Members of the Association to serve and act as the Committee for all purposes hereunder.

The following styles are permitted:

<th>Four Square</th>
<th>Farmhouse</th>
<th>Modern</th>
</tr>
</thead>
<tbody>
<tr>
