

Veridian Homes is family owned and family driven; we've been helping families experience the joy, beauty and fulfillment of homeownership for over 60 years. Rooted in Wisconsin, we wear our local heritage with pride and continue our commitment to building award-winning homes that are good for the community and the land it's built on. From day one, building quality homes has been our calling and giving back is an important piece of who we are.

Veridian Homes and the Veridian Foundation are strongly committed to strengthening not only the neighborhoods that we build, but also the community in which we live. We realize that we are only as strong as those around us, and we recognize that you play a crucial role in that.

The Veridian Foundation meets quarterly. To ensure that your request is added to the agenda for our quarterly meetings, please submit your completed application and any supporting documents by **February 1, May 1, August 1 and November 1**.

Please fill out the request form below completely. Incomplete forms will not be accepted by the Foundation. Contact Maria LaLuzerne at mlaluzerne@veridianhomes.com with any questions.
