PART A
ASSOCIATION MATTERS

A-1) Definitions.

A) "Association" shall mean and refer to as Quarry Hill TechLands Addition Homeowners Association, Inc., and its successors and assigns.

B) “Common Property” includes all those areas located in the Development which are not contained within a Lot and which are intended for common use or are necessary or convenient to the existence, maintenance or safety of the Development. Common Property may also include any additions thereto designated by the Declarant or the Association in any subsequent amendment to this Declaration, and all improvements located on said property, which are intended to be devoted to the common use and enjoyment of members, Owners and Occupants. Common Property shall further include all public or private alleys (if any), access ways, traffic calming measures, plantings, landscaping islands or boulevards, which the City of Fitchburg is not obligated to maintain. Declarant may, by subsequent amendment or easement, designate parts of certain private lands within the Development as Common Property, rendering the Association responsible for maintenance thereof, without subjecting the same to the ownership provisions contained in Section A-3, below.

C) "Declarant" shall mean and refer to Veridian Homes FBB, LLC, a Wisconsin Limited Liability Company, and/or its successors and assigns.

D) “Lot” shall mean and refer to the lands known as Lots 5 through 21 as described in Exhibit “A” attached hereto, now owned or to be acquired by Declarant, but which Declarant in the future intends to convey to purchasers who shall thereupon become members of the Association. The term “Property” or “Properties” shall be synonymous with the term Lot.

E) “Owner” shall mean and refer to the record owner, whether one or more persons or entities, of the fee simple title to any of the Properties described in Exhibit “A”. A purchaser of any of said Properties by land contract shall be referred to as “Owner” instead of the land contract vendor.
F) “Occupant” shall mean and refer to the occupant of any of the Properties who shall either be an Owner or a lessee who holds a written lease having an initial term of twelve months or more.

G) “Subdivision” shall refer to the lands described in Exhibit “A”. The term “Subdivision” is synonymous with the term “Development”.

A-2) **Membership and Voting Rights.**

A) **Members.** Declarant will incorporate the Association. Each Owner of a Lot shall automatically become a member of the Association. By acceptance of the Deed or other instrument of conveyance, the Owner(s) of each Lot consent to such Owner’s membership in the Association whether or not specified on the deed to the Owner. Membership in the Association is appurtenant to each Lot. Each Owner of a Lot shall automatically be entitled to the benefits and subject to the burdens relating to such membership in the Association. The Association shall have authority to manage the Common Property. Persons or entities, including a land contract vendor, who hold an interest merely as security for the performance of an obligation, shall not be members of the Association. Tenants of Properties who are not Owners shall not be members of the Association. To the extent that Declarant owns any Lot, Declarant shall be a member of the Association until such ownership terminates.

B) **Voting Rights.**

1) Each member shall be entitled to one vote for each Lot owned except as set forth in A-2(B) (2) below.

2) When there is more than one Owner of a Lot, said Owners shall only be entitled to one collective vote for each Lot. There shall be no fractional votes or voting. When there is more than one Owner of any Lot, the vote attributable to such ownership must be cast unanimously by all the Owners of that Lot, or it shall not be considered for any purpose.

C) **Proxies.** Any Member may vote by proxy. All proxies shall be in writing and signed by the Owner or in cases where there is more than one Owner, by all Owners of the Lot.

D) **Articles of Incorporation and By-Laws.** The purposes and powers of the Association and the rights and obligations with respect to the members thereof, shall be governed by the Articles of Incorporation and By-Laws of the Association; provided, however, that such Articles of Incorporation and By-Laws shall be subject to, and shall not contravene, the terms, conditions, benefits and burdens set forth in this Declaration.

E) **First Year’s Operating Expenses.** Commencing on the date established for the payment of assessments under Section A-4(B)(1), Declarant shall pay to the Association an amount equal to the estimated operating expenses of the Association for a period of one (1) year, less assessments on Lots owned by Declarant actually paid to the Association for the one (1) year period of time. Said payment may shall be made in a lump sum or in twelve (12) monthly installments, at Declarant’s option. Prior to said date, Declarant shall be solely responsible for payment of all maintenance expenses.

A-3) **Description.**

A) **Responsibility for Assessments.** At the present time, the Declaration is
applicable to all Lots located in the Development. Declarant shall turn over to the Association, at the
time control is turned over to the Members, any surplus received by the Association of income over
expenses. The following table describes the number of assessment units (an “Assessment Unit”), which
are assigned to various Lots in the Development based upon their intended use at the present time. The
number of Assessment Units for a particular Lot will be divided by the total number of Assessment
Units in the Development to arrive at a particular Lot’s percentage share (“Percentage Interest”) of
assessments for common area maintenance and other expenses, which the Association is permitted to
assess to members under the Declaration. The Declarant shall be responsible for payment of
assessments attributable to all Lots owned by Declarant, whether in a phase of the Development that has
been developed, is currently being developed, or will be developed in the future. For the purposes of the
following table, a single family residence shall be deemed a Dwelling Unit.

Limitations on the Seller’s liability for assessments attributable to Lots owned by the Seller are
described in the consent of Seller attached hereto.

**B) Percentage Interest for Condemnation or Insurance Proceeds.** For the purposes
of establishing an Owner’s percentage of insurance proceeds or condemnation awards in the event any
portion of the Common Property is completely destroyed or taken by eminent domain and is not
reconstructed, each Owner shall have a percentage interest in the insurance or condemnation proceeds
equal to the Percentage Interest of such Owner in the Common Property.

**C) Conveyance, Lease or Encumbrance of Percentage Interest.** Any deed,
mortgage, lease or other instrument purporting to convey, encumber or lease for a period of time in excess
of one (1) year (a “Lease”) any Lot shall be deemed to include the Owner’s Percentage Interest in the
Common Property and in the insurance proceeds or condemnation awards even though such interest is not
expressly described or referred to therein. The conveyance, encumbrance or Lease of an Owner’s
Percentage Interest in the Common Property independent of the appurtenant Lot and the conveyance,
encumbrance or Lease of an appurtenant Lot independent of the Owner’s Percentage Interest in the
Common Property shall be prohibited.

**D) Ownership.**

1) The Common Property shall be initially owned by the Declarant until
conveyed as provided below.

2) At the time of purchase, legal title to a percentage interest in the Common
Property shall be deemed conveyed with each lot to an Owner, whether or not specified on the deed to
the Owner. Legal title to the percentage interest in the Common Property shall be deemed conveyed
with any subsequent conveyance of a Lot whether or not specifically stated. Taxes, assessments or
other charges on the Common Property may be divided according to each Owner’s Percentage Interest
by the taxing authority or may be an assessment by the Association against each of the Lots in an
amount equal to the Percentage Interest attributable to such Lot.

3) The Common Property shall be conveyed to the Association by the
Declarant. The Association shall be responsible for the payment of any and all present and future
general taxes, assessments or other charges against any portion of the Common Property owned by the
Association. General property taxes, assessments and other charges shall be prorated between the Declarant and the Association based on the date of conveyance by the Declarant to the Association.

E) Damage or Destruction of Common Property by Owner. In the event any Common Property is damaged or destroyed by an Owner or any of his guests, lessees, tenants, licensees, agents or member(s) of his family, including pets, said Owner does hereby irrevocably authorize the Association to repair said damage. The Association shall repair and restore any damaged area to its former condition. The amount necessary for said repair shall become a special assessment upon the Property of said Owner.

A-4) Maintenance of Common Property

A) Maintenance Requirements.

1) Responsible Party. Declarant shall initially provide for the care, operation, management, maintenance and repair of the Common Property, until the Common Property is conveyed as provided herein. After such time, the Association shall provide for the care, operation, management, maintenance and repair of the Common Property and shall keep the Common Property maintained in good and safe condition.

2) General Responsibilities. Maintenance shall include, but not be limited to, responsibility for landscaping and lawn care, trash removal in the alleyways, snow removal including shoveling with particular attention being paid to cross walk ramps and islands, improvements to common areas, upkeep of stormwater management facilities which may include detention basins and drainage swales, common property lighting and/or other common property utility charges and any special street design features or traffic calming features.

3) Specific Responsibilities. Certain streets within the Property may include special traffic islands and traffic calming measures within the public right-of-way. The Association shall be responsible, at the Association’s sole cost and expense, for the maintenance and upkeep of such physical traffic measures. Such maintenance and upkeep shall be performed at the discretion of the Association except to the extent required by the City of Fitchburg, and shall include landscaping, snow and ice removal. If the special street design features or landscaping are not maintained, the City of Fitchburg will give notice to the Association that it is not being maintained. If the Association does not respond to the notice within sixty (60) days, the City may modify the physical traffic measures to minimize maintenance needs; including replacing landscaped surfaces with asphalt. The Association and persons involved with the maintenance and upkeep of the special traffic measures shall indemnify and hold harmless the City of Fitchburg and its boards and commissions, and their officers, agents and employees from and against all claims, demands, loss or liability of any kind, type or description, related to the maintenance and upkeep of the special traffic measures.

4) In order to carry out its maintenance obligations, the Association may enter into a long-term contract (i.e., no less than ten (10) years) with a reputable property management company (“Management Company”), pursuant to which contract the Management Company shall assume the maintenance obligations of the Association as provided herein.

5) Any and all expenses incurred by the Management Company, on behalf of and pursuant to its contract with the Association, in connection with the management and maintenance of the Common Property and administration of the Association shall be deemed to be common expenses
("Common Expenses"), including, without limitation, expenses incurred for: landscaping and lawn care; snow shoveling and plowing; trash removal in alleyways; improvements to the Common Property; common grounds security lighting; municipal utility services for Common Property enforcement of this Declaration (including attorneys’ fees); and maintenance and management salaries and wages.

B) **Assessments.**

1) The Association, or the Management Company, on its behalf, shall levy annual general assessments ("General Assessments") against each Lot beginning January 1, 2016 or the purpose of maintaining a fund from which Common Expenses may be paid. The General Assessments against each Lot shall be assessed according to their Percentage Interests in the Common Property. General Assessments shall be due in advance on the first day of each year, or in such other manner as the Association may set forth in the Bylaws. Any General Assessment not paid when due shall bear annual interest at a rate of ten percent (10%) until paid and, together with interest, collection costs, and reasonable attorneys’ fees, shall constitute a lien on the Lot on which it is assessed.

2) The Association, or the Management Company, on behalf of and pursuant to its contract with the Association, may, whenever necessary or appropriate, levy special assessments ("Special Assessments") against the Lots for deficiencies in the case of destruction or condemnation, for defraying the cost of improvements to the Common Property or for any other purpose for which the Association and/or the Management Company may determine a Special Assessment is necessary or appropriate for the improvement or benefit of the Subdivision. Special Assessments shall be paid at such time and in such manner as the Association or the Management Company may determine. Any Special Assessment or installment not paid when due shall bear annual interest at a rate of ten percent (10%) until paid and, together with the interest, collection costs and reasonable attorneys' fees, shall constitute a lien on the Lot on which it is assessed.

3) The Association, or the Management Company, on behalf of and pursuant to its contract with the Association, shall have the right to collect all General and Special Assessments and such sums shall constitute a lien on such Lot. The Owner of a Lot, or any portion thereof, shall be personally obligated to pay such charges which were assessed or accrued upon the land owned during the period of Ownership. The Association or the Management Company, on behalf of and pursuant to its contract with the Association, may commence an action against any Owner personally obligated to pay the charges or to foreclose the lien for such charge against any Lots. Any such foreclosure action may be brought at the Association election, either in the same manner as an action to foreclose a real estate mortgage, or as a proceeding to enforce a statutory maintenance lien as provided in Section 779.70, Wis. Stats., to the extent said Section is applicable. Any lien in favor of the Association/Management Company securing unpaid charges arising by virtue of this Declaration shall be subject and subordinate to the lien of any mortgage whether the mortgage is executed or recorded prior to or after the creation of such lien.

C) **Subordination of the Lien to Mortgages.** The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Property shall not release the assessment lien. However, the sale or transfer of any Property pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessment(s) as to payments which become due prior to such sale or transfer. No sale or transfer pursuant to foreclosure or proceedings in lieu thereof shall relieve such Property from liability from any assessments thereafter becoming due or from the lien thereof.
D) **Joint and Several Liabilities of Grantor and Grantee.** Upon a voluntary conveyance, the grantee of a Property shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor as provided in this Declaration up to the time of conveyance, without prejudice to the grantee's right to recover from the grantor the amount paid by the grantee therefore. However, any such grantee shall be entitled to a statement from the Association setting forth the amount of such unpaid assessment and any such grantee shall not be liable for, nor shall the Property conveyed be subject to a lien for, any unpaid assessments against the grantor pursuant to this Declaration in excess of the amount therein set forth.

**PART B**

The costs of the materials and labor to perform such landscaping and/or maintenance shall be assessed against said Lot in accordance with the terms of Section A-4 (B)(2) above, which assessment may be foreclosed or collected in accordance with the terms hereof or collected as provided herein.

The same sight-line limitations shall apply on any Lot within ten (10) feet from the intersection of a street property line with the edge of a driveway or alley pavement. All such submissions shall be made to the Committee at the address set forth in this Declaration or to such other address that the Committee may designate.

C) The Committee shall have the sole right to reject any Application and plans which, in the judgment and sole opinion of a majority of its members are not in conformity with this Declaration; or are not desirable for aesthetic reasons; or are not in harmony with buildings located on the surrounding Lots; or are not in conformity with the general purposes of this Declaration.

D) The Committee shall exercise its sole approval authority and discretion in good faith and each Owner, by acceptance of a deed to, or any other interest in, a Lot, agrees to hold the Committee harmless from any perceived discrepancies in the Committee’s good-faith performance of its duties. Refusal of approval of plans by the Committee may be based on any grounds, including purely aesthetic grounds, which in the sole discretion of the Committee shall be deemed sufficient.

E) The Committee may set its own operating procedures consistent with this Declaration and any limitations hereafter imposed by the Association. The costs of operating the Committee shall be assessed by the Association as Common Property expenses, except as permitted below. The Committee may engage consultants (e.g., architects, engineers or attorneys) either on a general or on a case-by-case basis, and the costs thereof may be charged to an applicant. The members of the Committee shall not draw any compensation for serving thereon but may be reimbursed for expenses incurred in performing their duties. All funds relating to the Committee shall be handled by the Association.
C-5) **Separate City Approval.** Matters which require approval of the Committee may also require approval of the City of Fitchburg. Obtaining approval from the Committee and the City of Fitchburg is solely the responsibility of the Owner desiring approval. Approval of Plans by the Committee shall not be deemed approval by the City of Fitchburg and approval by the City of Fitchburg shall not be deemed approval by the Committee.

C-6) **Records.** Until such time as a replacement Committee is designated, all plans, applications and requests shall be submitted to said Committee at the following address:

Quarry Hill TechLands Addition Homeowners Association, Inc.  
Architectural Control Committee  
6801 South Towne Drive  
Madison, Wisconsin53713

C-7) **Committee Liability.** Neither the Committee nor any member thereof shall be liable for damages to any person submitting request for approval or to any Owner of any Lot by reason of any action, failure to act, approval, disapproval or failure to approve or disapprove with regard to such requests. The Committee is not responsible for ensuring that the application and plans submitted by an Owner are in compliance with applicable laws, rules, regulations, ordinances or customary and typical building practices. The Committee does not review plans for structural design.

C-8) **Indemnification.** Each member or former member of the Committee, together with the personal representatives and heirs of each such person, shall be indemnified by the Association against all loss, costs, damages and expenses, including reasonable attorney’s fees, asserted against, incurred by or imposed in connection with or resulting from any claim, action, suit or proceeding, including criminal proceedings, to which such person is made or threatened to be made a party by reason of service as a member thereof, except as to matters resulting in a final determination of gross negligence or willful misconduct on the part of such member. In the event of settlement of such proceeding, indemnification shall be provided only in connection with such matters covered by the settlement as to which the Association is advised by counsel that the person to be indemnified has not been guilty of gross negligence or willful misconduct in the performance of such person as a member in the matter involved. This right of indemnification shall be in addition to all other rights and defenses. All liabilities, losses, damages, costs and expenses incurred or suffered by the Association in connection with this indemnification shall be a Common Property expense. Nothing in this Section C-8 shall be deemed an indemnification of such person with respect to such person’s status as an Owner, occupant or otherwise.

C-9) **Variance.** The Committee shall have the power and absolute discretion to authorize a variance from any of the requirements of this Declaration if it finds that the strict application thereof would, in its sole discretion and opinion, result in difficulties or undue hardship to the Lot owner or in the event the architecture of the proposed Lot improvement is such as to present, in its opinion, a particularly pleasing appearance compatible with other houses in the development.

C-10) **Successor to Committee.** Declarant may turn over control of the Committee to the Members of the Association at any time, and shall turn over control when Declarant no longer has any ownership interest in the Property. At such time as Declarant turns over Committee control, the Association’s Board of Directors shall designate not less than three (3) or more than five (5) Members of the Association to serve and act as the Committee for all purposes hereunder.
PART D
DESIGN GUIDELINES

D-1) **Single Family Dwelling Units.**

A) **Architectural Character.** Architecture within the Development will be developed with a variety of American vernacular architectural styles in mind. These architectural styles, while not a comprehensive list, will offer a unique mixture of styles for the development, and will be applied with proportions and character in mind. The overall character of the development will be created so that the architectural styles are compatible and the overall cohesion of styles will help foster a unique setting without stifling the architectural creativity on the individual building level, creating a varied but integrated community. Identical floor plans with the same elevation style shall not be located within 7 sites to assure this variety. The following examples of styles are permitted:

<table>
<thead>
<tr>
<th>Cottage</th>
<th>Craftsman</th>
<th>Four Square</th>
<th>Farmhouse</th>
<th>Salt Box</th>
</tr>
</thead>
<tbody>
<tr>
<td>Prairie</td>
<td>Classical</td>
<td>Traditional</td>
<td>Victorian</td>
<td>English Country</td>
</tr>
</tbody>
</table>

The requirements as itemized in the following section will be used as applicable to the context of the specific architectural style. Declarant reserves the right to grant variances in its sole discretion. Where city zoning is more restrictive, such requirements will govern.

Overall garage width must comply with zoning and design guideline standards.

The final point totals must consist of a balanced variety of the listed elements acceptable to the Architectural Control Committee. Existing vegetation, trees and shrubs may be included in the point totals if they are properly protected and maintained during the construction process and located as such on the landscape plans submitted to the Architectural Control Committee for approval.
